3:20 PM

ARRIVE IAD- DULLES

000000002294

**Woodrow Wilson International Center for Scholars
Digital Futures Project Congressional Cybersecurity Lab
Private Sponsor Travel Certification Form – Pre Trip -Additional Responses**

13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:

The Congressional Cybersecurity Lab aims to educate Congressional staffers on technology policy issues critical to U.S. national security, as well as to foster bipartisan working relationships. The trip supplements the work of the program's six-week seminar series, providing fellows with an opportunity to gain first-hand understanding of some of the technology and policy questions discussed in the seminars. The focus of this trip is to gain an international perspective on cybersecurity issues, specifically legal, financial, and law enforcement challenges related to the Internet of Things. Field visits will include meetings with American tech companies European headquarters, the Irish center for cybersecurity crime and cybercrime investigation, and other public and private sector entities.

Our goal is to promote an immersive understanding of policy issues on the legislative agenda, through exposure to the work and perspective of key stakeholders. The goal of the fellowship program is deeply rooted in the Wilson Center's broader mission and charter, to "...unite the world of ideas to the world of policy by supporting preeminent scholarship and linking that scholarship to issues of concern to officials in Washington."

The Wilson Center is the sole organizer of the trip. The William and Flora Hewlett Foundation provided a general grant to the Congressional Cybersecurity Lab with no requirement that the funds be used for congressional trips. Therefore, they have not directly nor indirectly earmarked funds for this trip. They have not played any role in choosing participants, selecting the destination, or designing the itinerary.

14. Briefly describe each sponsor's prior history of sponsoring congressional trips:

The Woodrow Wilson Center has organized multiple prior congressional trips: a staff delegation for fellowship alumni to Mexico, focusing on border security and the U.S.-Mexico bilateral relationship; a staff trip to Canada focusing on US-Canadian relations, security, trade and natural resources; three staff trips to New York City focusing on homeland security, and a staff trip to Colombia to focus on the FARC negotiations. The Wilson Center also sponsored multiple congressional trips through its Wilson Center on the Hill (WCOH) Program, which ended in December 2011. WCOH was a nonpartisan forum that focused on current issues related to international trade and security, sustainable development, and globalization. In its three years of existence, WCOH led two Member trips and two staff trips.

15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):

The Wilson Center is the official memorial to President Woodrow Wilson. In addition to carrying out public meetings and events, the Center hosts preeminent scholars and experts from around the globe who are researching topics of national and international relevance. The Center also welcomes school groups (both high school and college students) from all over the United States and the world to explore the Wilson Center and its Presidential Memorial Exhibition and Learning Center. A list of recent programs can be found on the Center's website at www.wilsoncenter.org.

18. Reason for selecting the location of the event or trip.

Dublin is the home to the EU Headquarters of many tech company as well as tech start-ups. The site location was chosen given the vast array of possible site visits and rich tech culture. On this trip we seek to provide insight into tech companies overseas operations, privacy issues, and international governance of cyber issues.

Husted, Collin (HSGAC)

Attachments: Dublin Working Itinerary.docx

Hey Collin,

We have a spot that opened up for the Dublin StaffDel and we would be delighted if you could join us. Only caveat is I need confirmation that you can go today so that I can get Ethics forms out tomorrow. I have attached our latest version of our working itinerary for your convenience.
